Teacher guide

This is original independent WeWIN practice for the A2 Key for Schools format. It is not an official Cambridge paper. Reading & Writing: 60 minutes, 7 parts, 32 questions/tasks. Listening: about 30 minutes including 6 minutes to transfer paper answers, 5 parts and 25 questions. Speaking: 8-10 minutes per pair, 2 parts.

Names in each scored Part are assigned separately. Common A2 vocabulary may recur, but no answer depends on another Part. A/B/C profile labels and multiple-choice positions are shuffled between tests.

Reading: Parts 1-5 award one raw mark per item, total 30. Writing: Parts 6 and 7 have up to 15 marks each, total 30. Reading & Writing therefore has 60 raw marks across 32 questions/tasks. Listening has 25 raw marks. Do not add paper totals and call the result a Cambridge English Scale score.

Writing feedback should consider Content, Organisation and Language. The sample responses are examples, not fixed answers. For internal practice, record whether each content point is communicated, ideas are linked, and language is clear and suitable. Use the current Cambridge handbook for formal band descriptors.

Speaking: use the matching candidate card and examiner script. Observe Grammar and Vocabulary, Pronunciation, Interactive Communication and overall achievement. Students need not agree with one another. Give feedback with one successful example and one next step.

Open cloze: accepted alternatives are shown where useful. Other one-word answers may also be acceptable if grammatical and meaningful in context. Listening: accept equivalent clear number and time forms. Surnames must match the spelling heard.

Source alignment: the user-supplied Exam Booster, Simply KET and Succeed KET 2020 books informed the task types and guidance. Questions, passages, scripts and illustrations in this set are newly authored. Exam format checked against the Cambridge English official A2 Key for Schools format page on 29 October 2026.
